“ *I am so sorry to hear about John, Mrs Johnson. I had just heard about it from some former shipmates from the Theodore Roosevelt. I can vividly remember the day I left the ship to head to FSU, and John was on the Quaterdeck as I departed. He was so proud that I was leaving the boat and heading to FSU. I cannot explain how sorry I am to hear about John. Love, Shawn Keller (the knucklehead you saved and gave a job to at FSU VA after discharging)*
