“ *We are also grieving for John, as he shared part of our lives and was a good friend. His laugh was a pure joy to hear. So funny/humorous was he that he could make his own self laugh! We pray he has gone to the Lord!*

Yes, he had a great sense of humor, our family will miss him terribly. Thank you for your kind words. He always assured us that he knew where he was going when he died, for us not to worry about that.

“ Dearest Quinsey family,

My heart is heavy today, as I learned about John's passing. He was a good friend and will be missed by all.

John was probably my first friend when we moved from Medart to Tallahassee. He was my best friend for many years, as we grew up and went through school together. We spent many hours playing baseball together at home, Capital Park, Messer Park and at the Old Centennial Field. John even worked for me a few times in the late '80's.

I pray that Father will comfort all of you in His special way during this time.

Blessings on you all!

Thank you Richard. We have many great memories of John. He was a character, loved to make us laugh. He would do anything for us if he could. Were all heartbroken by his quick departure even though we knew it was coming. He departed this earth with a smile on his face that he was going to heaven, he was at peace. Thank you Jesus for the great memories we have.
