“ Dear Gloria and family,
Bob and I were so sad to hear of Jack's passing. Although we never had the pleasure of meeting him, he must have been a very special man! God bless you and your family as you struggle through this period of your lives.

Love,

“ I love you, UJ. Thank you so much for all of the fun times at Dekle Beach and elsewhere. Thank you for your happy heart and sending me jokes all the time. Thank you for your love for our family. Thank you for showing me how fun catching crabs and fishing is. Thank you for loving the most wonderful, sweet, precious aunt in the world, and for helping to make 17 human beings while you were here. Thank you for stepping in as a semi-surrogate father sometimes. Thank you for your visits and your love. I'll always miss you. Cackie

“ Jack Stuckey is a good man who served his community well and who is loved by his family. I remember him teaching many of my youth classes and he had one phrase that always stuck with me. He said "Garbage in, Garbage out". This helped me realize that if I wanted success or happiness then I needed to put that into motion. From my perspective Jack lived a life worthy of his family and his God. Thank you, Jack for your selflessness and impact on my life. You will be missed for a season.
