“ I miss you sister so much. I think of you daily, smile, then shed some tears. I miss our morning talks, and just picking up the phone to chat with you. Life is not the same.
Love you Judy,

Sue

“ Wish we could have been there to say good-bye to Aunt Judy. Her skill with a needle was only exceeded by her thoughtfulness. She is missed.

“ Judy I am still in disbelief that you have gone on to be with our Heavenly Father and all of our family. Our three way talks as sisters has dwindled now down to just Gail and me. I will miss our morning talks about our kids, cooking, recipes and just life.

I will forever cherish the beautiful quilts and table runners and everything else you made with love for me and my family.

I am so happy to have spent the last week of your life with you. We prayed we laughed a little we cried and just shared our love. I was able to play some of your favorite songs and just sit by you. Judy you will be missed but I find comfort that you are not in pain and are with your husband and our family that has departed.

Life will go on but it will not be the same 😞

Your sister Sue*

“ How do you summarize ones life in a few sentences? NOT with Our Sister JUDY ❤️!! We do not know where to start! Judy was perfect in every way!

Non of us could come close to her with her many talents and accomplishments

Her numerous talents are too much to list all, but we will mention a few....

After High School Graduation she pursued an online AA degree in accounting and at the same time worked in our Dad's accounting firm and eventually took it over when our Dad became ill. After several years, she

Married the man of her dreams❤️

She moved with her husband Malcolm

To his home town of Tallahassee where sh remained until her passing😭 She

opened a sewing machine shop where she sold high end sewing

🧵 machines and also taught classes! She then went back to accounting and opened a tax office and accrued many clients that remained with her for years! She then worked for the State of Florida in Tallahassee in the Estate Planning Department, being the only person ever to be hired without a four year degree!

Wow, she was unstoppable! Not limiting her talents she was a truly gourmet cook and her presentations were so magnificent that it belonged in a cooking magazine! She also belonged to a sewing 🧵 club where they made quilts/bibs etc for the elderly! Now for her true loves...her two daughters Karen and Joyce and all of her grandchildren ❤️ Unconditional love for all and for her beloved Baptist Seminole Church along with her Beloved Pastor and his wife

She is and will always be our beloved sister and will always remain in our hearts and minds❤️ We miss you

Already Judy and our lives will never be the same but when we look up at the stars, your beautiful star will shine the brightest❤️ We know you are in the loving arms of our Lord God who said he wanted you by his side🙏

Love through eternity,

Gail, Susie and Vi 🙏🙏🙏
