

Mrs. Judy Ann Johnson

July 20, 2023

Judy Johnson, 69, passed away on Thursday, July 20, 2023, at her home in Tallahassee, Florida, with her husband of thirty-one years by her side. She was born in Chicago, Illinois, to Ronald and Carol Ann Prohaska, who preceded her in death.

Mrs. Johnson graduated from Merritt Island High School in Merritt Island, Florida, where she was a drummer in the high school band. She eventually moved to Tallahassee, Florida, where she established her roots. She had a dry sense of humor, loved to laugh, and knew how to make anyone smile. She enjoyed crafts, traveling and gardening, but most of all, she absolutely loved being a mother and grandmother.

She is survived by her husband, Charles; son, Ryan (Ashley); stepsons, Steven (Jessica) and Adam (Cydney); brothers, Ron Brown and Joey Prohaska; grandchildren, Lexi, Avery, Ansley, Athena, Easton, Catalina, Levi and Geneva; and best friend, Joanne.

In lieu of flowers, donations may be made to St. Jude Children's Research Hospital in memory of Ms. Johnson.

“ I would just like to say. How saddened I was to hear of Judy’s passing. How I came to meet this kind Woman, Wife, Mother, Grandmother. Was 6 years ago. I met her because I was dating a guy who worked with her husband. I was at first kinda shy. Because they were friends of my boyfriend and ex-wife. So I didn’t know if I would be accepted by them. To become friends. Well I had nothing to worry about. We visited them in their Tallahassee, Home. Then later after they relocated to their newest property. Where they built a beautiful home. Judy was always kind to me. We had lots of laughs as women tend to due. I met the Twins who were always close to both their Grandparents. We on one visit to their new home. Tony and I Hopped up on one of those Gator-type buggies. Me, Judy and the Twins. Both Judy as well as Charles were always so nice and kind to me. Whenever we went to visit. This means so much in these times to be a stranger. Yet to then become friends. She was an awesome Grandmother. Loved her husband. Enjoyed doing Crafts, attending sports for their Grandkids. It is surreal to me. That she has passed from this earth to her Heavenly home. As she was a Christian. She will be missed. I am keeping you Charles, Kids, and Grandkids. In my heart for healing as death does leave a very deep wound inside your heart. Just please remember she lives on through the children and grandchildren. You have wonderful memories to reflect upon. She was much loved. Goodbye my Sweet and Beautiful friend. I will see you when my name is called. Always

“ Momma, I miss you more than I can put into words. This is the hardest thing I've ever had to deal with in my life. You prepared me for so much, but never for living without you. You were such an amazing Momma and I never told you that enough. You sacrificed so much for me for 38 years and for that, I am eternally grateful. I couldn't have asked for a better Momma and hope I made you proud. The girls and I are going to miss you dearly. The only comfort I have in this situation is knowing I will see you again one day. Thank you for being an AMAZING Momma. I LOVE YOU!!!

JJ, there is no words I can put together to express what you meant to me. We shared the last 31 years and could not have picked a better person to have walked through life with. I will be so happy when we can stroll through heaven together. I will carry you in my heart till we meet again. I love you more than I can express. Charles

My friend, Judy, I was so sad to hear of your passing. You were always such a pleasure to work with all of those years. The Tallahassee crew was the best. Looking forward to seeing you again in heaven.
