“*Kristin was the Director at Freedom Church Preschool for 3 years (2012-2015). She was promoted after teaching VPK for a year. She was bright and efficient and her love for young children was evident. I cannot imagine the grief her love ones are enduring after such a great loss. My heart goes out to you and my prayers for comfort and strength from the only One who is able to give what human words or deeds can't, are with you.*

“*Mrs. Kristin was my oldest son's VPK teacher then my youngest son's Preschool Director at Freedom Church Preschool. I'm so saddened to hear of her passing. She loved my children and she made this mama feel safe and special, which is so very important! I remember walking into the office and my son Will was her screen saver. ❤️❤️❤️ My prayers are with her family. Please know she very much impacted many children's lives.*

We know your faith and where your strength comes from and our thoughts and prayers have been daily with you! So sorry to miss the service, but grandchild duties prevented it.
