“ I will always remember the little boy we first met when we moved to Florida in 2000, You guys were the first people we met and we have been best friends ever since, Grant was 2 and Kyle was 4 and we used to have such fun times sharing beach houses at St George while the kids played at the beach, Kyle had such a great smile and grew into such a wonderful young man, It broke my heart seeing him in so much pain and now he is no longer suffering, God has gained another angel. RIP Kyle, we love you!

My deepest condolences to Mike, Carol, and Emily! Love you guys!
