

Ms. Linda Dyan Salisbury

September 28, 1951 - April 23, 2021

Ms. Linda Salisbury, 69, died April 23, 2021 at home under the care of Covenant Hospice. She was born in Grand Ridge, Florida to the late Juanita Bass and Jesse L. Jeter. In addition to her parents, she is preceded in death by her sisters, Debbie Causey and Margie Wilson; her brother, Jerry Jeter.

Survivors include her children, James Cooper (Nora), Ray Cooper (Bambi Kever), Melissa Bradford, Johnny Aaron (Lisa); brothers, Dan Jeter and Ebb Jeter; sister, Marilyn Cooper. She also has 19 half brothers and sisters on her Father's side.

Linda was a loving mother who worked hard her entire life to take care of her children and grandchildren, and a mother to everyone who needed her. She was an angel to most and a friend to everyone. She devoted her life to her 4 children and helped raise many of her grandchildren; Rachel Rae, Victoria, Christopher and Andray Cooper, Carson Cash, Johnny Ray, Michelle and Dillon Aaron, Brittany Tanner (Josh), Austin Massey, Michael Harris, Joshua Bradford, Jr., Timothy Barnes, Edwin and Brittany Duncan, Garret and Jada Paugh, Brayden, Cameron and Peyton James Cooper. Also surviving are her great grandchildren, Ripley Lerae Downing, Chloe, Addilyn, Kayden and River Tanner. A great-great grandchild, Blakely Saige Gullett, will soon be among survivors.

Ms Linda never met a stranger, and everyone who met her quickly learned to love her. A quote from her son James, " I used to wonder if there were really angels on earth, but then I looked into my mother's eyes and realized that my mother was always the angel I wondered about ". Ms. Linda was loved by many and an inspiration to every mother out there. She was an epitome of what a mother should be.

We miss you mom, and we will be with you one day again dancing and singing with the angels. Love you with all of our hearts. There will never be another like you.

The family gives a very special thank you to James Cooper's wife, Nora, for making our mother's last few weeks a comfortable and happy time. You're Heaven sent and an angel in disguise.

“ Linda, I am grateful for the 11 years I've had the pleasure of knowing you. I grew to love you like family. Sweet Joshua was your strength, and you were the matriarch. You will forever be in my heart. I was devastated to learn you left us so soon, the very day I planned to come visit. Your amazing homemade peanut butter sweets during the holidays will definitely be missed. Rest now Linda... your work here was done well with so much love.
Love always, Mandy Ganey

“ Mom, the past few days have been excruciating without you here and there's just no way to prepare for such a devastating loss. Our hearts are so broken and the pain is overwhelming. I wish I had been able to keep you home where you wanted to be and I'm so sorry for that. Your presence is all over this house and thank God for Little Joshua sneaking around getting videos of you. Little Joshua, Michael and I miss you so so much and this home is not a home without you here. You're constantly in my thoughts and wish I could have said goodbye, talked to you longer, hugged and kissed you more. Things will never be the same without the glue to our family. We love and miss you so much. Tell the rest of our family hello and we love them. Give Granny a big hug....

Hi Melissa, I am so very sorry for your loss! I lost my last parent, my dad last April! It's very hard, but losing a mother, is the hardest I think! Mothers give birth to us, they love us, they are always there! God bless you sweet lady, you will see your mom again someday!! She's watching over you!!

James, your mother was a very lucky lady to have all the children and grandchildren she had and I know she loved you all very much! But you are an example of an awesome son!! Any man who loves his mother like you did and do, it's a beautiful thing!! I know you're in pain, but mom isn't in anymore pain! That's so easy to say! But it's true! She will always be young and beautiful, and her arms will be wide open to receive you when you meet her again!! She's your Angel and she'll be watching over you! Love to you, Nora, and your family!!
