“ I had the privilege of working with Lloyd for 25 years. Smart, funny, witty and an outstanding communicator. A renowned and highly respected expert in workers compensation, his *History of Workers Compensation* is considered as one of the best ever written, and can still be found on the Division of Workers Compensation's website. He was a dear friend and I will miss him. You knew how much he loved his family by the pride in his eyes when he spoke of them. My deepest condolences to them. To coin one of his phrases "Lloyds gone and I'm not feelin to good myself."

“ I don't have the words to express the love, respect, admiration, you name it for my "Brother From Another Mother", Lloyd Harger. I truly miss him tremendously already. Funny, tough, opinionated, caring, you name it all, he was it. My deepest condolences to "Mary Sue", as I can hear him say, Lloyd Jr, who've I've known since first meeting Lloyd Sr. in '86, and the entire family. Rest In Peace Big Brother Lloyd. I'll never forget you.
