“ *Buddy was my first cousin, but we were never close since I moved out of the area years ago. My mom, Buddy's Aunt Grace, mentioned him to me often when she still lived in Tallahassee, and it was clear that he was special to her. I really appreciate Buddy's kindness to her, especially after she and my dad divorced and she lived alone. Buddy and Carol were able to attend the 91st birthday party for my mom arranged in Cairo by some of her nieces and nephews, and she was glad to see them there. A picture of that gathering is being uploaded. My sincere condolences and best wishes to all the family.*

“ *Buddy was a fun intelligent successful businessman who lived a great life, setting j an example for others:  
Always being willing to help others. Dispense sound advice especially when disguised as a joke. Work hard and you too can have the finer things. Be a friend to everybody. Be independent minded and strong in your convictions. Cherish your wife (Ms. Carol). Spoil your cats and dogs. And finish a long hard day with a strong glass of whiskey.*

“Buddy, we will truly miss your fun attitude. You always made poop smell sweet!

Here's one more at ya-

A man and his friend were fishing by the river when a funeral procession approached. The man stood up, took off his hat, and waited for the procession to pass, and sat back down. His friend said, "That was very respectful of you, very nice." The man then replied, "Well we were married for 40 years."

And we all know what streets ghosts haunt!

Dead ends! We will be looking for you!!

“ *To the Womble family, I am so sorry to hear your loss. Bubby was a good man and neighbor. He will be missed. Think about all the good memories that you had with your father. I will remember stopping at the stop sign at Cathedral and South Lake Bradford Rd and talking to your dad about my brother (Andy Cooper) and ask me how I was doing. Praying for the family through this time of sorrow. Janice Cooper Jones*
