“ I will miss her laugh, and the way we always had a laugh about the Lord, (Lord Calvert) , and anytime she would call and b really down and crying , I could always put a smile on her face and make her laugh so hard within 5 minutes. She was a character with the biggest heart, just as long as u didn't piss her off, she was a little oh thing but like they say dynamite comes n small packages, she was living proof. I Love u aunt Buck and already miss u, but u r now with uncle Jerry, grandma and grandpa, and my daddy and Davy that loved u 2. Don't give them 2 much hell up there!!! 🙏💧
