“ To my beautiful grandmother,

Thank you for all of our wonderful times together and the memories that we shared. It will be hard visiting Florida and not getting a hug, sharing a laugh, or seeing you smile. I am so happy that you had the chance to meet your great grandson. I can't wait to tell him more about you when he gets older.

Thank you for all of your advice, support, unconditional love, and for welcoming Adam in to our family from day one and loving him like your own grandson. We promise to never go to bed angry, and to always kiss each other goodnight...just like grandma always said to do <3

You will be missed by so many, but the sparkle that you left in this world will live on in our hearts forever. Give grandpa and Michael a big hug for me!

*It is an honor to be your granddaughter.
Rest in Peace.*

*Love Always,
Aimee*
