“ Margaret & I were best friends thru Jr High and High School. Although we were separated by miles, I have held her in my heart all these years.

“ Margaret was a dear, dear friend of mine and I wanted to be at her Celebration of Life, however I'm dealing with a heart problem and was unable to attend. Margaret and I served as Stephen Ministers together and were with the same group of United Methodist Women. I was able to celebrate her life at her birthday party a couple of years ago when I met her wonderful family and joined all of you at this happy occasion. My heart goes out to you now, I know you will miss her beautiful spirit, as I will. She certainly touched my life in a special way.

“ My Aunt Margaret was a heart of gold. During a time when I needed family she was the closest to me. Her and Uncle Harold took care of me and I have grown to love them deeply. They are both missed!

Mrs Van Wie helped me learn to sew. She was a Girl Scout leader, too. The world needs more like her.
