“*Marjorie, my colleague, supervisor, director, and "older sister by a different mother," what to say? Perhaps I said it at Cathi's service, when, with Carol & Pat nodding, I told you that I and my family's life would have been far different if we had not followed you to Tallahassee. Thank you for all you've done for so many! RIP sweet lady! Michael*

Margie and Cathi were like my mother children. They both took very good care of my mom Mrs. Grace Fields. May you both rest peacefully eternally. Your earthly work completed with five stars.
