“ Amanda-I am so sorry to hear of your mom's passing. We had many good times years ago while co-leading the Girl Scout troop. I learned quite a bit about scouting from her and always appreciated her knowledge and professionalism. She was a wealth of Girl Scouting information, and an all around kind person. We would run into each other through the years and her favorite conversation was always her grandchildren. I hope they will carry wonderful memories of her through their lives. Much love to you and Jeff and family.
