“ *Martha and I were friends from Rainbow Girls and Leon High School. After high school, she went one way and I went another. We again revived our friendship after I finished NFCC and started school at FSU. When I left Tallahassee again we lost contact again.... I'm sorry to say. She was fun loving, sweet and would do anything you! I was so sad to see that she had passed away. My heart will be with you tomorrow. Your family will also be in my prayers.*

“ I know the family has saddened hearts because of losing Martha. I want to share this beautiful scripture where our heavenly father promises us that he is going to do away with man's greatest enemy, death. Rev. 21: 3,4; "With that I heard a loud voice from the throne say: "Look! The tent of God is with mankind, and he will reside with them, and they will be his people. "And God himself will be with them." And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. "The former things have passed away." It is my prayer this scripture will give you comfort in your grief.

“ Martha and I were friends during our school days. It was wonderful to re-connect with her at our Leon High School 50th reunion last May. Since then we talked on the phone and she came to a lunch gathering of some of our Class of '65 ladies this past February. My thoughts and prayers to the family.
