“ Peggy and I send our prayers and condolences to the family of our dear friend Mary. She was a special person to us, always with a friendly smile and warm greeting. Peggy especially enjoyed their many lunches, trips and shopping adventures over the years, as well as working with Mary at DOR. She was a straight-shooter when I had process questions and was always helpful to me. We always felt better after visiting with Mary. We miss her terribly and ask God for the grace to help us all in our grief.
