“ Mary was 1 of a kind. We met in high school at Maria in Chicago. She had a wicked sense of humor and never failed to cheer me up even when she was feeling down. We were the badass women's pool team on Thursday nights. I still have my trophy from Pat's Place - 4th pl. I asked her to be my son's Godmother and I know she is watching from heaven cheering us on. She never missed my birthday or a Christmas card. She touched us all. Lonnie and family are in my prayers...She is still one of a kind who is deeply missed. Love you Mar

“ I met Mary through work about 15 years ago and was immediately drawn to her fun, down-to-earth, tell-it-like-it-is personality. Over the years, I learned to appreciate Mary even more as a friend, colleague, and altogether wonderful person. Her love for Lon, her family, and her friends shone through in everything she did. Her devotion to her work--even when ill--spoke to her integrity and persevering nature. Mary was, and still is, so very special. I miss her greatly and always will until we meet again in Heaven. I will continue praying for God to comfort Mary's loved ones. -- Kathy Nichols

“ *To Lonnie and Mary's family
I knew mary in our childhood at St. Margaret's. We grew up on Winston. She was always very kindhearted; you could always talk with her and laugh. It is so sad to see a friend go, but Mary you will feel no more pain in this life. You go rest in peace. You are well deserved. God bless you my friend. We shall meet again someday.*
