“ Maureen and I have been friends well over 30 years. Our families blended together and she became the sister I never had. There are so many memories over the years, but some of the funniest ones will be our times we spend in her shed doing ceramics.

My love and condolences to her entire family.

Maureen: Thank you for being my friend and sister. I love you and will miss you.

“ We consider Maureen a dear friend, and she will be missed. Anytime I needed her to help out with food she was always ready and willing. She even made some of her delicious chicken salad for our daughter's wedding reception. She is now with her Savior and out of pain. Miss you Maureen.

“ Lisa and I became best friends when I moved to Tallahassee and we worked together at Walmart. I was fortunate enough to spend time with Maureen on several occasions at Lisa's house. I fell in love with Maureen from the start, my own mom had passed away several years before that. I loved Maureen's sense of humor and the relationship that Maureen and Lisa had together. Several times when I went with Lisa to take Shaun to Doctor appointments they would talk on the phone and I would just laugh so hard at their conversations. Maureen was a woman who loved Jesus with all of her heart and I am blessed to have known her.
