“ *I'm so sorry to hear about Gene's passing. I've known Gene since I moved to Tallahassee. I always enjoyed talking to Gene about his passion for Florida State. I'm so sorry for your loss. God bless.*

“ *Florine and Melody... I'm sorry about your loss and can barely accept that the boy who spent so much time at my family's home is no longer with us. I have many memories of us growing up in Crestview...trips to Lincoln Park and the Gulfarium and quirky stuff like when we all had guinea pigs. Then finally, Gene standing up as best man at my brother's wedding.*

Gene, shelter safe in God's arms till we meet again.

“ I was blessed to have Gene as a neighbor. I have arrived home many evenings to him working in his lovely yard. He always smiled and waved. We had many good conversations standing between our yards. Gene would often care for my pets and watch over my home when I was out of town, and he was happy to share the beautiful vegetables he grew in his backyard garden. I will sorely miss him. I pray for strength and comfort for his family. Ksena Zipperer

“ So sad to hear of the passing of Eugene. I know the pain is deep and the sorrow is great as I lost my only son not too long ago. I pray for the Lord to comfort you with his loving arms and send his ministering angels to surround you with love as you deal with this tragic loss.
