“ *Dear Family,
Your mother was known to us as Mema. She took care of my children and many others in the early 80s. Well, actually she raised them if you know what I mean. She was the most giving individual with boundless energy and love for our children and my family. She was a great woman of faith, an inspiration to follow, and a true friend. We all loved her dearly. Our sincere condolences.*

“ To the Howard Family:

I am sorry to read of your mother's passing. She was a great mother and persevered raising a family. Her work on earth is done and you kids can be proud of her. I went to school with Silas and still think of him often. Please look after each other as she has done. Sorry I cannot be there for you all but I am ill and cannot attend.

My love and condolences to all.
