“ *Brochacho, you are the fire that rocks the world. Love ya buddy, forever and always. I miss you and can't wait to hear your laugh again. Thank you for being the kind of man who - despite everything that happened - kept me as a sister and friend. My life is better because of it. The last thing we did was share a big hug. I could use one of those nows, but treasure everyone you gave me. Tell Lemmy I said what's up. Forever and Always, Sischacho*
