“ Nodie I have thought of you often. An awesome teacher who brought food and clothing for a lot of her kindergarten students who came to school hungry o needed some clothes. You were also two of my children's teacher. We became friends and I loved you. My thoughts and prayers to the family.

*This great lady was affectionately known as “Mrs. Battles” at Waller Elementary School in Bay County, Fl. She was my nephew’s kindergarten teacher in 1971-72. He thought Mrs. Battles could do anything. She was everyone’s heroine.*
