“ So many memories from childhood all the way to our visits just recently in Ohio. I will treasure those memories forever! It was so much fun to see the two sisters together in Ohio and hang out with my cousins. Watching the sisters walk around in the shallow end of the pool, sharing stories over dinner / evening and start all over again at breakfast. They were soooo cute together. Even at their age, hearing them talk about how independent they still were.

I am glad they had each other!!!!

God bless all of you - you are all in my thoughts and prayers.

*Love to you all
