Patricia (Trisha) Ann Toller Webb, 67, passed away peacefully Thursday, January 27, 2022 at home with family at her side under the care of Hospice. Trisha was born on May 12, 1954 in Durham N.C. to Dr. Louis and Eunice Toller. Survivors include a daughter, Casey Webb of Tallahassee, sisters Pamela Toller-Clark (Thomas) of Philadelphia, Linda T. In 1991, Trisha graduated from FSU College of Law, and was a member of the Florida Bar. Prior to receiving her Juris Doctorate from FSU she graduated with a Masters degree in Library Science from University of Illinois Champaign-Urbana and from Alma College with a Bachelor of Arts degree. Trisha was a prolific reader and never left home without her Nook. She enjoyed sitting on the beach, and spending time with family. She was a cat lover with the most recent Toby always at her side.

She was civic minded in her private and professional life as a gifted writer, avid reader and as a librarian and lawyer. She served those who needed assistance the most. “ *A fantastic mother , compassion to others, caring for the less fortunate . Your suffering and pain are gone now the only scars are those in the outreached hands of Jesus.*

“ *Trish was a great friend and a beautiful soul. Always willing to help, caring for her friends. I can not think of a harsh word about anyone coming from her. She helped me in so many ways. It was my pleasure to know her and work with her the time I was able. The world was a better place place with her. Good bye Trish, you will be missed.*

“ I will miss you dearly, Trisha. You were a great big sister and let me follow you around (whether you wanted me to or not) when we were growing up. You showed such amazing strength over the past year and a half and no matter how bad you felt you stayed, positive, never complained, and maintained your sense of humor. I love you, Linda.
