“*Paul helped me to understand and appreciate how Gideons serve as the extended arm of local churches. It was a privilege to count Paul among those who have had a significant influence in this world. Paul's legacy is that he has shared the Gospel and lived the Way.*

“*Mary, Wanda and Donna, Just want to let you know that you are in my thoughts and prayers during this difficult time. I met Paul just a few times and I remember his kindness and sweet attitude. He was so funny when he called Mary in the office and he would say "Hey Shug." He would get me mixed up with your Mom. Mary would get all flushed and laugh when this happened. They were such a sweet couple.*

“ Wanda, I am so glad we had the opportunity to meet your father on many occasions when he attended church with you. He impressed me as a loving father, grandfather and husband and he was always so kind and gracious when we had an opportunity to speak with him. He and your mother raised a fine daughter and we are blessed to call you, Steve, and your children friends. You are all in our prayers during this time of sorrow.
