

## Ricky Allen Beltz

October 13, 1956 - September 15, 2025

With great sadness, we announce the passing of Ricky Allen Beltz, a loving husband, father, grandfather (Papa), brother, uncle, and dear friend to many, who left us on September 15, 2025.

Ricky was born in Findlay, Ohio then relocated as a teenager to Tampa where he met his best friend and wife Brianne. They chose Tallahassee, where he worked hard and raised his family.

He is survived by his wife, Brianne; his children, Rick (Marilu), Robyn, and Lauren (Anthony); his grandchildren, Michael, Ariaah, Anthony, and a fourth grandchild on the way. Rick was the oldest son and is survived by six siblings and numerous nieces and nephews. Also, became a second father to many of his children's friends.

Rick was a loving and devoted family man whose kindness, strength, and generosity touched the lives of everyone around him. His life primarily revolved around his family. He was a great cheerleader at all their sporting events. He was a racecar driver at heart, Nascar fan, had a love for motorcycles, classic rock, and the beach.

He had a unique way of turning ordinary moments into extraordinary memories, some of our favorite memories are driving a racecar at Daytona,

hosting Halloween parties, Christmas surprises and a willing participant as a hair model, dancing partner and wrestling opponent.

His legacy of love, warmth, and compassion will live on in the hearts of his family and friends.

A celebration of life will be held to celebrate his life.

“ My brother in-law and my husband talked almost everyday for the past 5 years. I could hear his voice consistently via the speaker on Randy's cell. I would hear about their single days hanging out at their favorite place in University Mall. They would debate who was the best looking, Their brotherly bond was to be admired. They would complain to each other, build each other up, and have friendly disagreements. Always entertaining to hear these two acting like best friends and brothers. They were a guy version of Lucy and Ethel! Always thankful to have been a spectator of Randy and Rick.

*Rick always has had a special spot in my heart. Even though as we grew older and had families we grew apart. Rick always looked out after me as we were growing up. Especially, if any one gave me a hard time.*

*He would drive me where ever I wanted to go. Some times To The Mall, sometimes we just drove around*

*Many times he would drive me to the Kingdom Hall when i could have rode with our parents and other sibling's.*

*Those were special times as we would also sing songs from a group named Bread.*

*We also spent times hanging with our brother Randy and Cousin Eddie.*

*We had fun together at our Grand Parents house in Ohio. Those are special times in our life. And i Look forward to welcoming him back during the resurrection. Miss you, Love you your Sister Terri Thomas*
