“ Bobby was a close friend of mine we would sit and talk about his family all the time.

He loved them so much and was so proud of them.

*I am so blessed to have met him
and to have a chance to spend time
with such a friendly person.*

He loved Mountain Dew.

He was so nice to everybody that he came into contact with. He loved his son and there wives . He loved his grandchildren and was so proud of them. He loved his brother and would go visit him and his face lit up when his sister called . He told me all the time how time is flying . How much he had a good life he also had forgiven himself and hope that others had forgiven him. Mr Bobby said that he wasn't always perfect but he was sorry for anyone he had ever showed anger towards. He talked about his wife Shirley and how much he missed her .

The life they had together. We talked about god and about life.

He would always tell me he loved me and we just met as friends and I worked for him for many years taking care of his property . He made me part of his family. I made him part of mine.

*He had met my wife and girls . He made them laugh and was gentle
We were supposed to get together this week
and I was looking forward to it .*

Because I always would make time to sit and talk with him.

He will be missed very much by his family and his friends. I definitely will miss him he was a good friend to me .

I am so thankful that I got to spend time getting to know him as well as sharing our stories.

There isn't anybody in his family his son's grand children in-laws that I ever met . That did not always meet you with a smile. His and Shirley's love it's on the faces of everybody in this family. The last time I talk to him one of the last things he said. (I love you I'll see you soon) he's right I love him too and I will see him soon one day . Now every time I close my eyes I think of his laughter and I think of his smile. I'm just waiting on him to visit me in my dreams see you in

heaven

Brother Bobby I love you you are missed but not gone 🙏

“ *I am sad to hear of Bobby's passing and my heart goes out to his family. When I worked with Bobby at Wheeler builders supply years ago, he was a great guy to work with and a friend of mine. He will be missed.*
