

Mr. Robert Young Fernandez Jr.

December 25, 1952 - December 15, 2020

Born in Nashville, grew up in Key West, Tallahassee resident since college, Robert Young Fernandez Jr. transitioned to his heavenly home on Tuesday, December 15, 2020.

Robert was born on December 25, 1952, to Robert Young Fernandez Sr. and Dorothy Betty Jean Marshall Fernandez. Growing up in Key West, Robert loved the ocean, and all it had to offer. Whether it was fishing, lobstering, or his favorite pastime, preparing and eating all the little delicious creatures that live in it, Robert enjoyed every minute he spent on the water.

But it was the passion he discovered in 8th grade that was life changing for him: music. Robert loved music. He dedicated himself to understanding the craft and was elected as the captain of the Key West High School band in his senior year. In that very same band, Robert found himself smitten with more than just the notes on the page; he looked from behind that tenor saxophone sheet music and saw Susan Joan Higgins just a few feet away holding her clarinet. Robert swore Susan made “eyes” at him, and that’s what caught his attention. It is that kind of banter that kept Robert and Susan laughing together for nearly 50 years. And from those years together, the couple raised four children who were all musicians as well.

While Robert was a successful contractor, he rarely focused on the

accumulation of financial wealth or community accolades. His family, friends, and his service to Tres Dias drew his attention. Robert made everyone feel special, was generous with his time, and always had an encouraging message or even a joke ready if anyone was having a bad day. He had a knack for making each person feel like he or she were the priority. Whether it was spending 3 months to plan a 3-day Tres Dias weekend or his mission trips to Haiti and Costa Rica, Robert truly had a servant's heart.

He was not a man that spent much time basking in the praises from others, but he celebrated each time one of his children was recognized with an honor. When his oldest daughter, Janene, graduated with an A.A. degree in paralegal studies and a B.S. degree in Elementary Education, Robert was in the front row cheering her on. When his oldest son, Jamie, was pinned as an Air Force reserve Colonel and landed a position as a Department of Defense civil servant working in space launch and acquisition, Robert took more pictures of the event than any other attendee. When Robert's second son, Matt, was elected as the Wakulla High School Teacher of the Year, Robert smiled with pride and gave him great advice. And when his youngest daughter, Nikki, graduated with her master's degree from the University of Florida, Robert, a lifelong Florida Seminole Alumnus and former Marching Chief, became a Florida gator for the day just to support his daughter. One could spend hours discussing Robert's abilities as a youth sports coach, his ability to fix anything or his "green thumb." However, Robert would quickly divert the conversation to something more important to him: his family.

Robert is survived by his wife of 46 years, Susan; daughters: Janene [Steve] and Nikki [Marcus]; sons: Jamie [Jess] and Matt [Meredith]; grandsons: Josh [Kelsey], Luke, and Noah; granddaughters: Callie, Jordan, Randi, and Naomi; great-grandson: Lincoln and great-granddaughter: Scarlett; two brothers: Tony and Frank, one sister: Mary-Jane; mother-in-law: Sally; three brothers-in-law: Billy, Scott and Mark; three sisters-in-law: Pam, Sharon and Holly; and a host

of nieces, nephews, cousins, aunts and uncles.

Please join us in a celebration of life for Robert on Sunday, December 27th at 3:30pm. Though he left us too soon, we are comforted by the knowledge that he is resting eternally with Christ.

The memorial service will be held at All Nations Tallahassee Church at 2820 Sharer Road Tallahassee, Florida 32312. There will be a live Facebook stream as well. All are invited to attend the in-person event using appropriate CDC guidelines.

“ Robert was the 1st rector of Vida Nueva in Tallahassee, a Christian weekend for teens. We were hours away from the start of the retreat and had not received script, outlines or other important materials. I asked Robert what we were going to do and he said something that changed my walk with God. He told me that the weekend retreat belonged to God, and not him so the pressure was on God, not him. Miraculously the needed materials were driven to Tallahassee from Atlanta and arrived just as the weekend was about to start. Robert's trust in God's faithfulness no matter what the situation looked like is an example for all of us. Thank you for being a big influence in my life. Eliot Rosenberg

“ Robert was the most decent, God fearing man among men. I and my family send my heartfelt sympathy to Susan and all the children, grandchildren, and extended family who are missing him and are aching for his presence this Christmas.
