“ Dear Sandi and family,

*I just want to express my condolences to all of you in the loss of Bobby. May God bless and comfort you with precious memories of your life together.*

*I want to share something which I've never experienced before. This past Saturday, I was working at Publix and you and Bobby came to mind—for no apparent reason. I hadn't seen you in quite a while (of course we used to go to church together) and it made me wonder how you were doing. And then the thought was gone. I wondered at the time...."was that the Holy Spirit bringing them to mind?" When I saw Bobby's obituary yesterday, I knew the answer.*

*Your friend in Christ,

“ Mr. Harrell was a dear brother in Christ I got to know while I was part of the worship team at Chapel Hill Baptist Church. I just found out about my sweet brother in Christ leaving us to meet the Lord Jesus. He will truly be missed, however, what a glorious day in heaven to welcome such a person a sweet, kind, amazing man of God! I can not fathom the welcome for he truly touched many lives and left a huge void on this earth. Until we meet again, my sweet brother in Christ, farewell. With much love in Christ, Sussy E. LLanes
