“ My condolences to your family at the loss of your patriarch, Ron Benefield. My father and I had the pleasure of bowling on Ron’s Friday Night Mixer’s team for many years and enjoyed Ron’s jovial personality. He was always sweet and in a very peasant mood no matter how bad I bowled! During Tax Season, he was my go-to person for any tax issues that I had. We were blessed to have known him.

“ Mr Ron was one of the sweetest men that I knew. He was the Best tax man in the surrounding area! He made sure you got back the most money you could, he despised the IRS but always did the right thing to help his clients. He was always very nice to our family especially my son Brian Jr. he and his son Chris are best friends! He was always there for his kids and grandkids and he especially loved his wife Miss Pam! I will miss him at tax time but I know he is with Pam and the Lord! My thoughts and prayers are with you all during this difficult time. Love, Brian Sr. & Michelle Duprey

I feel awful I just heard!! Your dad was AWESOME!!!Smart, kind and witty! He helped us for years. I spent many a time there in his office talking but also watching all the squirrels running around.

He will be greatly missed. Much love and strength and the warmest of memories to you all.

I feel very bad because I just heard this and reading this today. Mr Ron was my tax accountant and more. When I ever I went to the house he and his wife welcome u with open arms. I just would like to sit with them for a At least 10 minutes. They both gave good advice. I enjoyed those cupcakes she would bake. Both will be missed dearly. Mr Ron was always the same. He never told me anything wrong, about My taxes..
