“ *Ruth, was a great friend to my mother for many years. She came over and checked on her pretty much daily; well I think they both kind of checked on each other. She would take her soup or food many days and eat with her. We shared many meals at Cracker Barrel when I would take Mother out for her weekly dinner nite. The Sheffield family were very lucky that Ruth was our mother's neighbor. Rest in peace Ruth, hope you and mother are having that bowl of soup.*
