Sheila Jo Hutton, born May 3, 1950, in Wabash, IN. passed peacefully November 15, 2025, in Crawfordville, FL at the age of 75.

Known to some as Sheila, she was known to many others as Meme. In her early years she worked as a hair stylist and went on to work for the State of Florida at the Department of Highway Safety until she retired. She enjoyed attending church on Sunday and reading her bible. She also enjoyed crossword puzzles, crocheting and some quilting. But her love for spending time with family was unmatched, especially her grandchildren, great grandsons, all her nieces and nephews whom she loved dearly and always had a snack to sneak to them. Her favorite pastime was eating ice cream and watching NASCAR racing.

Preceded in death by her parents, Lawrence and Thelma Clark; husband, Jim, her oldest son, Mark Westmoreland and brother, Larry Clark.

She is survived by her youngest son, John Westmoreland, his wife Tara, three grandchildren, Sean (John), Ashley (Mark), and Micheal (Mark); three great grandsons, Decklynn, Colton, and Braxson; two sisters, Carol and Glenna along with many wonderful nieces and nephews all of whom brought great joy to her heart.

Her love, smile, and laughter will forever live in the hearts of all that knew her.

A celebration of life will be held for her in the spring of 2026.
