“ My condolences to Bobby, his children, and grandchildren. I have had the privilege of sharing life experiences with Shirley for some years. She always gave insight into whatever babble I was concerned about. Her laugh always made me feel welcomed to call anytime and sometimes I would call just to hear her laugh. I miss her friendship. She loved Bobby and her family unconditionally.

“ Always in my heart! She was such an inspiration to me. And such a heart of gold. I am so glad she was a part of my life for 25 years. She may be physically gone but just a thought away. I look forward to seeing her again one day. Shirley will forever be a bright spot in my life.
