

Mr. Sidney Joe Brim

July 6, 1959 - June 7, 2023

Sidney Joe Brim was born in Bainbridge, Georgia to Joe and Betty Brim on July 6, 1959. He left us suddenly on June 7, 2023. Sid is survived by his son, Ben Brim (Sissy) and daughter, Kasey Hollington (Wes); and his grandchildren, Zachary, Gracie, Elijah, Jacob and Wyatt. He is also survived by his love, Debbie; and his siblings, Ronnie, Teresa and Susie.

Sid spent a great deal of his childhood in St. Marks, Florida - swimming from dock to dock until sunset. He told many stories of hiking across Wakulla County with his dad and the Boy Scouts, living off the land as they moved. He worked at Causseaux's Auto Service in Woodville as a young teenager and was proud to tell the story of saving his money to buy his first motorcycle. In his shop, you will see pictures of a young Sid deep sea fishing and hunting with friends and family.

Sid was a hard worker and learned how to be a mechanic from his dad. He always had a project going and would seldom sit still. Sid retired from the City of Tallahassee in December of 2022, after 35 years of service.

Second to his grandchildren, was his hunting camp, known as Hawg Heaven. As time progressed the hunting camp was more about making memories with his children and grandchildren. Sid worked endlessly over the last 27 years to make the perfect place for his family to gather. Days at the camp start with an

early morning breakfast for an army, followed by Ranger rides, swimming, fishing, gator watching and walking the land to look for treasures. At the camp you can see Sid's famous lighter wood collection and a wall of antlers. Naps were not missed there and the fire pit was always hot. Hawg Heaven will not be the same.

Sid's children and grandchildren send appreciation for your calls and text messages.

We will celebrate Sid's life at 2:00 PM, Sunday, June 11, 2023, at Abbey Funeral Home, 4037 North Monroe Street Tallahassee, Florida 32303.

Online condolences may be expressed at www.abbeyfh.com.

“ If any child left an impression on me...it was Ben Brim. I knew he had to come from a bold form of energy...and this must be his father in passing. Ben left words which I use for myself to this day: I like to move HEAVY things! He was a gentle giant on the playground of Betton Hills Preparatory School. I knew his mama was determined to give him a broader outlook as well as his father's. He must be a terrific adult with compassion and understanding and empathy for all people. From his giant spider web maker on the playground, Peggy Adair. Amen to your father, Ben, Amen.
