“ At a time like this, where do you start and what do you say? I only know that Steve was the nicest guy and funniest guy this world has known. I am so lucky to have met Steve, and his surviving beautiful wife Carol, two and a half years ago when I moved into Midtown 24 in Plantation, Florida. Boy, what a guy. His laughter was contagious, and he gave the bestest hugs. He was a big teddy bear.

I am going to miss him so very much. I am so sorry for your loss, Carol, and to your whole family. His memory will live on forever within all of us. Love to you all!
