“ It's been several years, and I apologize for just posting this... Tom, you were a mentor to me, I still have your message you preached at EveryNation, Tallahassee Church, about Conflict Resolution. You inspired me greatly, and I miss you so much. My sincerest, belated condolences to Mrs. E and family. I wish you to sleep peacefully and hope the Yah will have mercy on me to get there and meet you in Glory. All the best, good Sir...

“ Hello Liz, Nick Harrold here... back from the prayer group days of the 70's. I thought to look Tom up; Debbie and I have been in Europe for 20 years. I am saddened by Tom's passing. We were all so young back then. God be with you and your dear family. Love in Christ, Nick and Debbie Harrold (Larry Tait's "Unk" back then ... you were a dear group.)

“ *Liz and family,
I am praying that our Lord will comfort you and fill you with his love during this time. Tom was truly my beloved brother, a special friend that I praise God for blessing our relationship the way He did. I look forward to the day in His presence when we will be together again. Know that he is with Jesus and be comforted with that. All His blessings,*

“ Ginny and I were stunned to hear of the passing of our old friend Tom Klein. We both extend our condolences to Liz and the family. We know this is a great loss to you.

We have known Tom since the early 70s when we were all students at FSU, members of the same Wednesday night bible study and eventually part of the same church plant. Tom was always a Godly man and a natural leader. His love for God was always an inspiration to everyone. This world has lost him to early, but Gods timing is always perfect. Tom is with our savior, Jesus, and we will see you again one day old friend ,when God willing we will join you in eternity.

With much sadness
