*Steve and Billy- I was so saddened to hear of Tracy's passing. She was a wonderful friend to me during a difficult time, and I have never forgotten that. She was a wonderful coworker and friend, who had more compassion than anyone I know. I pray for peace for you both. Lisa Early Byrd*

“ Tracey and I worked together for about 12 years, before I retired. She was a wonderful caring nurse, known for her baking skills as well. Brought in goodies for floor luncheons and also "random acts of kindness" to her fellow staff on duty. I took care of her when she was pregnant with her Billy..one of the "lights of her life". Rest in peace. I'll meet you on the other side one fine day, Tracy!!! Melanie Lindsey RN

“ The Blum Family (Lester, Vicki, Carl, & Eric), as well as the Cuppett Family (George & Janet) send our deepest sympathy to the rest of Tracy's family. Tracy was more than a cousin to us, she was a friend. One of our fondest memories was when Tracy went with Lester and Vicki to see a really scary movie. We were so scared that night, but Tracy sat through the movie and laughed as hard as she could. Another good memory was when young Tracy and Aunt Betty came to practice her dancing. Vicki would play the piano while Tracy tap danced. We would practice for hours, and she would later perform beautifully on stage for the "Dance Review."

We will always remember her calm, assuring voice, and loving personality. Surely, Tracy exhibited the love of our Lord, and lived her life accordingly. When it is our time, we all will meet her at our Heavenly Home.

“ Tracy was my aunt but since we were only 4 years apart in age she was more like a big sister. We spent a lot of time together since we grew up across the street from each other, riding bikes, roller skating and just hanging out. She was into tap dancing and I remember her practicing and her dance reviews. After I had my son she was always willing to babysit on the Saturdays that I had to work. She was always a very loving person, you will be missed!
