“ *We had quite a few nice evenings to visit with Vernon during his Colorado trip this fall. We shared many good times comparing notes of places traveled , hobbies & life's adventures. We got to know Vernon quite well in a short time & are quite sad there isn't more time to visit. Vernon will truly be missed. Don & Denise Greatorex*

“ I have so many memories of Vernon that it would take me days to write them down. One of the things I loved about Vernon was his sense of humor and the way that no matter what you said to him he always had some smart ass reply. He was Always being funny , telling jokes , and making people laugh. I am daily reminded of that humor as my son Paden Geddie , inherited that from his papa. I am quite sure it has been passed down the Geddie line.  
My condolences to Brenda , And the rest of the Geddie family.  
Praying you find comfort and peace In the days ahead and know that you will see him again one day. Love you all ...
