“ My condolences goes out to the Jones family in your time of bereavement. I considered Ronnie to be a friend who you didn't see often but when you did, you picked up right where you left off? I'll miss bumping into her at the flea market and catching up on old times and our families. May God comfort you as only He can.

“ *There was always an air of levity that entered the atmosphere whenever she showed up. She's in a better place! Remember the love that you all shared. I dedicate the lyrics in this song to her and her family: "Put my lighter in the air for you....Put your lighter in the air for us. You're beautiful, beautiful!...Sing a new song. Put your lighter in the air for love."- from "Beautiful" by Mali Music*
