“ *Sandra,
You have my deepest sympathy on your immeasurable loss. I remember when we were kids and you would come up to our house or Debbie Howard's house. It has been a long time since I've seen you, it seems as if the years have flown by. Your mother was such a nice person. My mother, who also retired from Capital City First National Bank, died over 20 years ago. My hope is that I will see her again when our loving Heavenly Father returns the earth to a Paradise and all people will live in peace and happiness forever. Keep those wonderful memories of your mom close at heart. You will be in my prayers.*
