“ *The world will miss Walt. Always upbeat, he was funny, but could have a serious side too. As my assistant in the Supervisor's Office, when I was Secretary to the Forest Supervisor, he provided sage advice and wisdom. I have fond and funny memories of him, even when he brought Ginko to me to help me remember "stuff". He was my safety net. We had fun. Go with God, my friend.*

“ *My condolences to his wife and the family. In the time that I was blessed to know Mr. Carter he was a wonderful person, always happy, always smiling. I learned a lot about my family from Mr. Carter and I will cherish that knowledge. I will also cherish the video I have of him, his memories that he shared will forever be with me.*
