These photos are great. The love Wanda felt for her family, and the love they felt for her shines through in all of them.

“ I loved Mrs Smith, she was a wonderful Mother for all of us in the neighborhood growing up. Melissa and Michelle my thoughts and prayers are with you girls.
I did have a funny story, a few years ago I owned a antique store and Wanda came in and was walking around, I never forget a face so when came up to purchase something I told her the price and mention the family and friends discount and she looked at me puzzled and mentioned who I was and thanked her for all she did for us with the pool party's and birthday party's her and her late husband did for her girls. She got so choked up and was amazed I remembered her. I really made both of our days. RIP
