

Mr.& Ms. Wayne & Maria Pittman

January 12, 2024

Wayne Pittman was born on February 8, 1945, to the late Carlton B. Pittman and Adel M. Strickland. He graduated from Jefferson County High School in Monticello, Florida. He proudly served his country as a member of the United States Air Force as an Airlift Aircraft Maintenance Technician. He retired as a Master Sergeant after over 20 years of service. Wayne was a devoted Christian he loved worshipping the Lord by singing in many places. Every Thursday night you would find him with the singing group here today. He also loved fishing, hunting, fixing things, candy and spending time with his beloved Maria, friends, and family.

Maria Sablan Pittman was born on April 21, 1949, to the late Jose Borja Taitingfong and Maria Sablan Taitingfong. She graduated from George Washington High School in Mangilao Guam and from the University of Guam where she earned a degree in Psychology. She proudly served her country as a member of the United States Navy for three years. She was a devout Catholic and shared her husband's faith in Christianity. She loved reading and pursued higher learning all through her life. She was a member of the National Honor Society and made the Dean's list several times. She pursued social work and started a path to radiology. Education was a lifelong dream. She loved her family with all her heart, mind, and soul.

Wayne and Maria met while Wayne was stationed at Anderson Air Force Base in Guam. They celebrated their 42nd wedding anniversary this past October 30th. After their retirement they spent their days on the road visiting family and

eating out every day at different establishments. Maria would say she was the copilot and Wayne the pilot. They enjoyed giving each other cards for every occasion and were generous to both family and friends. Their faith in God was the glue that held them together and will be their legacy.

The family will receive friends on Tuesday, January 30, 2024 at Abbey Funeral Home at 10:30 AM. The celebration of life for Mr. and Ms. Pittman will follow at 11 AM.

“ This is SO SAD! Mr. and Mrs. Pittman were the SWEETEST couple and they LOVED their family and friends, with all their heart. We share a granddaughter Kinsley Sablan Pittman, so because of that I became distant family to them all. Kinsley's middle named is Sablan, named after her grandmother's middle name. I Love Dino and Dena and I am so sorry for their loss 🙏 They were so blessed to have such loving parents. They were great role models, because Dino and Dena are great parents as well. Dino I love you and will continue praying for your strength for you Ashley and your families to get through such a hard time. Chloe you sweet girl and mom. My heart aches for you as well because your grandmother was also your dear friend. The day she died you sat waiting on her porch for a tea party. Dena, your mom smiled when she talked about you. We talked often about your trips to Guam. I will miss them, it was such a treat every time we saw them. I called them often talken about any and everything. Dino being a great coach to so many kids, he is always a phone call away for me. I always invited them to the Legion or my church for Gospel sings 🎵 Lately we have had breakfast at Hardees and lunch at Applebees, such great folks. We are sad to lose them, but my christian faith reminds me that OUR goal is to be a good christian, tell others that they need to be saved so we can ALL go to heaven for a beautiful eternity, they just got there a little earlier than we did 🙏❤️🙏 I love you both and will always be grateful that you were my extended family and friends! Until we see you again, Love Jamie and Chris Holleman

Thank you, Jamie. You are such an amazing person I'm so glad you got to spend time with my parents. My mom enjoyed your Facebook posts. We will all be together one day. I know they are with Jesus and that gives me so much peace. Thank you for your prayers and living for Christ and sharing the love of Christ. Love you, Dina.
