“ I remember Monty from high school at APG . Monty was a good Basketball and Football player that never played.

The Coaches always mentioned 🙌 his name.

Anyone that played sports during the mid- Seventies at Godby knew Monty.

“ Monty was always a good friend to me. He was willing to help others and pass his knowledge on to younger drivers. He has earned his wings and left good things along his path here. Enjoy you time above us brother. We can handle it down here

“ For the many years I had the pleasure of working with Monty, I have always known him to be a very good man. Both kind and gentle, he was always eager to help.

Monty, you will be missed by many. Myself among the many That had the pleasure of knowing you. You touched so many lives and left good wherever you went. May the Lord take you in his arms and reward you in heaven for all the goodness you left on earth. Rest in peace my friend.
