“ *Sandy & Tommy: I am SO sorry to hear of your loss. I do not get the paper and consequently, I had no idea of your loss. The only reason I am now able to contact you is that my sister sent me the old notification in the Tallahassee Democrat.*

*The only reason my sister sent me the Democrat article was because I had asked her a couple of weeks ago if she had heard anything about your mom. She had been on my mind of late. I tried to contact you using the old email address & phone number you gave me years ago, Tommy --- but neither were successful. If I had known, I definitely would have been with you, honoring your mother the day you laid her to rest. I am so sorry I missed being there.*

*As I am sure you must know, I really loved your mom. She never ceased to amaze me with her calm, loving attitude to life and to others. I am glad she is now at peace with our Lord. I pray that God grants you the strength and Peace of Mind you all need at this time. Take care of yourselves and be safe.*

*Love,
